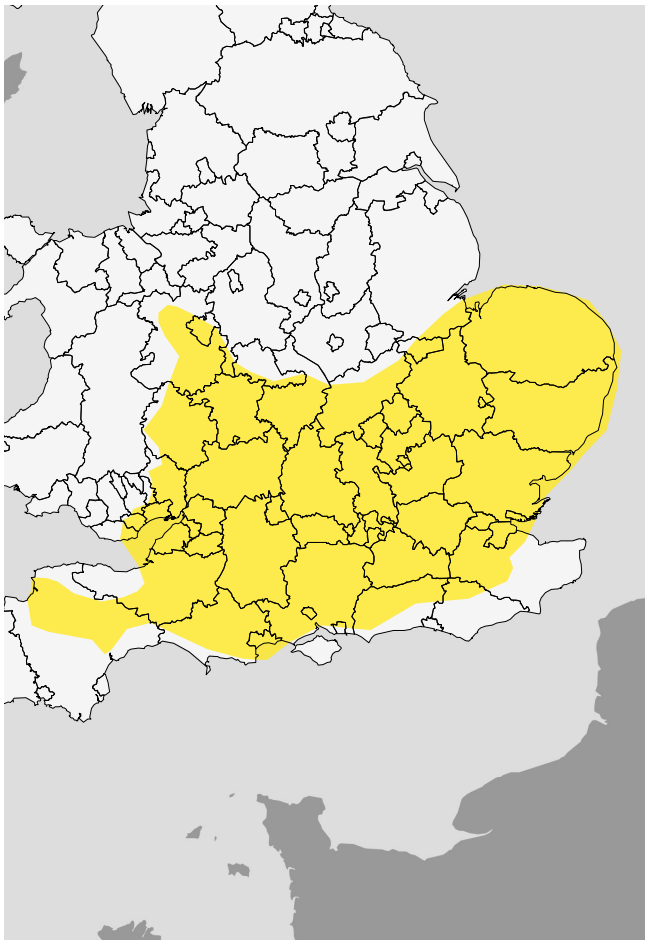
Yellow warning
Fog

Between
03:00 Wed 8 Feb 2023 and
11:00 Wed 8 Feb 2023



Reduced visibility due to freezing fog may lead to some travel disruption.

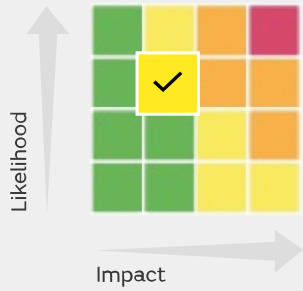
What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

Further details

Patches of freezing fog are likely to become more widespread towards dawn on Wednesday, particularly along river valleys and across eastern and southern England, with the visibility as low as 50 to 100 metres in a few places.

Fog will slowly thin and clear later on Wednesday morning.



✓ Medium likelihood of low impacts

Issued at 22:56 Tue 7 Feb, 2023
